

Group Search

You can search and play videos which are automatically grouped according to similar recording dates.

- The contents of the saving destination selected in “REC MEDIA FOR VIDEO” are searched.

1 Display the search function.

- You can also display the search menu by selecting “SEARCH” on the playback menu.

2 Select “GROUP” and touch **OK**.

3 Select from the index screen (thumbnails) and touch **OK** to start playback.

- The video starts playing.
- Touch **■** to stop playback.

NOTE:

- Touch “DIGEST” to play back a few seconds from each video, allowing you to check the contents of many videos in a short time.
- Groups are created automatically according to recording dates.
- The group may change when the recording is continued.
- Select “DELETE” from the playback menu to delete unwanted files.
