

## Ładowanie baterii za granicą

Kształt gniazdek elektrycznych różni się w zależności od kraju i regionu. Do naładowania baterii możesz potrzebować przejściówki, która będzie pasowała do rodzaju gniazdka.

| A                                                                                | B                                                                                 | BF                                                                                | C                                                                                 | O                                                                                 |
