

Creating Playlists from the Recorded Videos

A list created by selecting your favorite videos from the recorded ones is called a playlist.

By creating a playlist, you can play back only your favorite videos in the order you like.

The original video file remains even when it is registered to a playlist.

- To create a new playlist
- To edit or delete a created playlist

Memo: _____

- When a video file is deleted or moved, the same file will be removed from the playlist.
