
Recording stops automatically.

Recording stops automatically as it cannot be performed for 12 or more consecutive hours according to specifications. (It may take some time to resume recording.)

Turn off this unit, wait for a while, and turn it on again. (This unit stops automatically to protect the circuit when the temperature rises.)

Insert a commercially available SD card, and set "REC MEDIA SETTING" to "SD CARD". (There may be a malfunction with the built-in memory.) (GZ-HM50)
