

## Using the Remote Control (for GZ-HM960)

You can operate this unit from a distance away using the supplied remote control.

### Memo :

- Point the remote control toward the sensor directly and use it within 5 m from this unit.
- The transmitted beam may not be effective or may cause incorrect operation when the sensor is directly exposed to sunlight or powerful lighting.

## Preparing the Remote Control

## Using the Remote Control for the First Time

- A button battery (CR2025) is included inside the remote control at the time of purchase. Remove the insulation sheet before use.

## Reinserting the Battery

- Pull out the battery holder by pressing the lock tab.
- Insert the button battery with the + side facing upward.
