

Taking Videos in YouTube™ Format

You can share your enjoyable memories with family and friends easily by posting your videos on the video sharing website YouTube™. Through upload shooting, videos that are suitable for uploading to YouTube™ (within 10 minutes) may be taken directly.

Memo :

For more information on YouTube™, please visit the following website.
<http://www.youtube.com/>

1 Select video mode.

- The video mode icon appears.

2 Press the UPLOAD button and switch on the function. Go to step 3.

- The mode switches between ON and OFF with every press.

- The mode switches between ON and OFF with every touch.
- When set to ON, a "Ⓢ" mark appears on the screen.
- To cancel this setting, set to "OFF".

3 Start recording.

- Press again to stop.
- The maximum recording length of a video in upload mode is 10 minutes.
Recording stops automatically after 10 minutes.

Memo :

- Upload recording can only be performed for up to 10 minutes, the time limit of YouTube™.
- Changing videos to the file format for uploading cannot be performed on this unit.
To upload video files, refer to "Uploading Videos" below.
- The upload recording icon disappears when recording stops.
To record another video in upload mode, perform the settings again.

Uploading Videos

You can upload your videos to YouTube™ using the provided software "Everio MediaBrowser".

Install the software on your computer and connect this unit to the computer.

- For details on how to use the software, refer to the help file.

Trouble with Uploading Videos

- Check if you have created an account with YouTube™.
(You need a YouTube™ account to upload files to YouTube™.)
- Refer to "Q&A", "Latest Information", "Download Information", etc. in "Click for Latest Product Info" in the help file of the provided software "Everio MediaBrowser".
